

SAC Meeting Minute Notes:

Meeting: Tues Jan 12th 3:00-4:45

Present: Eileen Kratzer, Mechelle, Simon, Nowell Busch, Shelley Hanson, Rachel Kapustka, Lynda Remmel and Derek Sevier.

3:00-4:20 Discussed and provided notes for the Parent Survey

4:20: Discussed safety issues: From Eileen, Mechelle, Nowell and Shelley there were no safety concerns. Rachel: I was volunteering for a ECE celebration and there was lockdown drill. I wasn't sure if it was a drill or a real concern and there were other adults that seemed to be observing the kids and taking notes and I wasn't sure why they were there. The kids nor the teachers were participating in the drill. I feel there could have been more communication with everyone there as to what was happening. I think it would have been beneficial to have gone through the drill as there were many people there that wouldn't have known what to do and how to keep themselves and the kids safe. Not sure protocol when there are visitors that are in the school but we should all know what to do.

4:45: Discussed setting next meeting dates via email as attendees need to leave for other obligations. End meeting.
